Summary

Full stack developer specializing in both MERN stack and Java full stack development. Proficient in building dynamic, responsive, and scalable applications using MongoDB, Express.js, React.js, and Node.js, as well as Java technologies such as Servlet, JSP, and Hibernate. Skilled in crafting secure backend APIs, integrating databases, and delivering optimized user experiences.

Skills

Programming Languages: Java, JavaScript, C, C++, Python

Web Technologies: JSP, Servlet, HTML, CSS, Javascript, Bootstrap, Tailwind CSS

Frameworks & Libraries: Hibernate, JDBC, Spring, React.js, Redux Toolkit, Node.js, Express.js, Next.js, Shadcn

Databases: MongoDB, MySQL, PostgreSQL

Version Control: Git, GitHub

Experience

Software Developer Intern

Jan 2025 – Jul 2025

Perceptive Solutions Inc

- Assisted in developing and deploying Node.js and React.js applications to Microsoft Azure, gaining hands-on experience with cloud deployment and configuration.
- Collaborated with senior developers to create Python scripts for automating tasks and improving workflow efficiency.
- Gained practical exposure to Microsoft Azure services, including application hosting, resource management, and monitoring tools.
- Conducted research on emerging web technologies and cloud solutions, contributing insights to enhance team projects.

Projects

NoteTaker – Notes Management Application

- Web app for creating, editing, and organizing notes with clean, intuitive UI.
- Implemented secure login, registration, and authentication features to manage user access.
- Built using Servlet, JSP, Hibernate, and MySQL for backend data management and persistence.
- Technologies: Servlet, JSP, Hibernate, MySQL

ByteBlog – Blogging Platform

- Developed a blogging platform with authentication, post creation, editing, and commenting.
- Implemented user authentication with login, registration, email verification (OTP), and password reset via secure email link.
- Technologies: React.js, Tailwind CSS, Node.js, Express.js, MongoDB, JWT
- **Demo:** fullstack-blog-application.vercel.app [🔗](#)

Education

Bachelors in Information Technology (BSc IT)

2023 – 2026

Mumbai University
